roshzens-portfolio.vercel.app

Motivated Computer Science Engineering student with hands-on experience building web applications using React.js, JavaScript, and Tailwind CSS. Eager to bring strong frontend fundamentals and self-driven project experience into an internship or entry-level software engineering role, with a long-term goal of becoming a professional software and app developer.

PROJECTS

RoshZen Portfolio Website | *React.js, Responsive Design*

- Designed and developed a personal portfolio site with a modern dark cyber-tech aesthetic.
- Built fully responsive layouts to showcase skills, projects, and developer profile.

Zen Coder Learning App | *Concept — Python, HTML, CSS, JS, React, GitHub*

- Conceptualized a beginner-focused programming platform with courses, quizzes, and a progress dashboard.
- Structured a guided learning path covering web development and AI-assisted tools.

Python Daily Practice App | *Concept — Python*

- Planned a daily practice app with lessons, MCQs, and coding challenges for consistent habit-building.
- Designed an XP system, streaks, and achievement badges to drive engagement.

Love Vault App | *Concept — Local Storage, Offline/Online Sync*

- Designed a private memory and gallery app with secure login, notes, and gallery features.
- Planned offline storage with sync and export/import, prioritizing privacy and mobile UI.

Church Website & Poster Design | *UI / Graphic Design*

- Created event posters and service announcements using Tamil and English typography.
- Planned a church website layout with service details, events, and contact information.

EDUCATION

B.Tech, Computer Science Engineering

St. Peter's Institute of Higher Education and Research

1st Year Completed

SKILLS & PROFICIENCIES

- Python, HTML, CSS, JavaScript
- React.js, Tailwind CSS
- Git, GitHub, VS Code, Ubuntu
- Supabase & Local Storage (basics)
- UI Design, Debugging
- Project Planning, Prompt Engineering

STRENGTHS

- Self-directed learner
- Strong problem-solving
- Fast adaptability to new tools
- Effective use of AI dev tools

LANGUAGES

- English
- Tamil
